Detroit Country Day School

Birmingham **Michigan**

We are a community of diverse individuals with a history spanning over half a century. We recognize our three human resources: mind, body and spirit, and as a unit we strive to build our future with them.

We generate life as only people with a common purpose can do; but most importantly, we all grow up together. Unity is pride, caring, laughing and crying together, winning and losing together, and sharing.

Upper School Activities Reveal Much Talent

Through upper school activities, each student is able to participate in the areas of his or her interest beyond the scope of the academic schedule. The student can expand knowledge and skills and contribute this talent to the school. The wide variety of activities allows a place for each individual to participate. The clubs meet during homeroom period, and some meet after the school day or even on weekends.

Absent: Sam Slaughter, Mrs. Slaughter, Advisor.

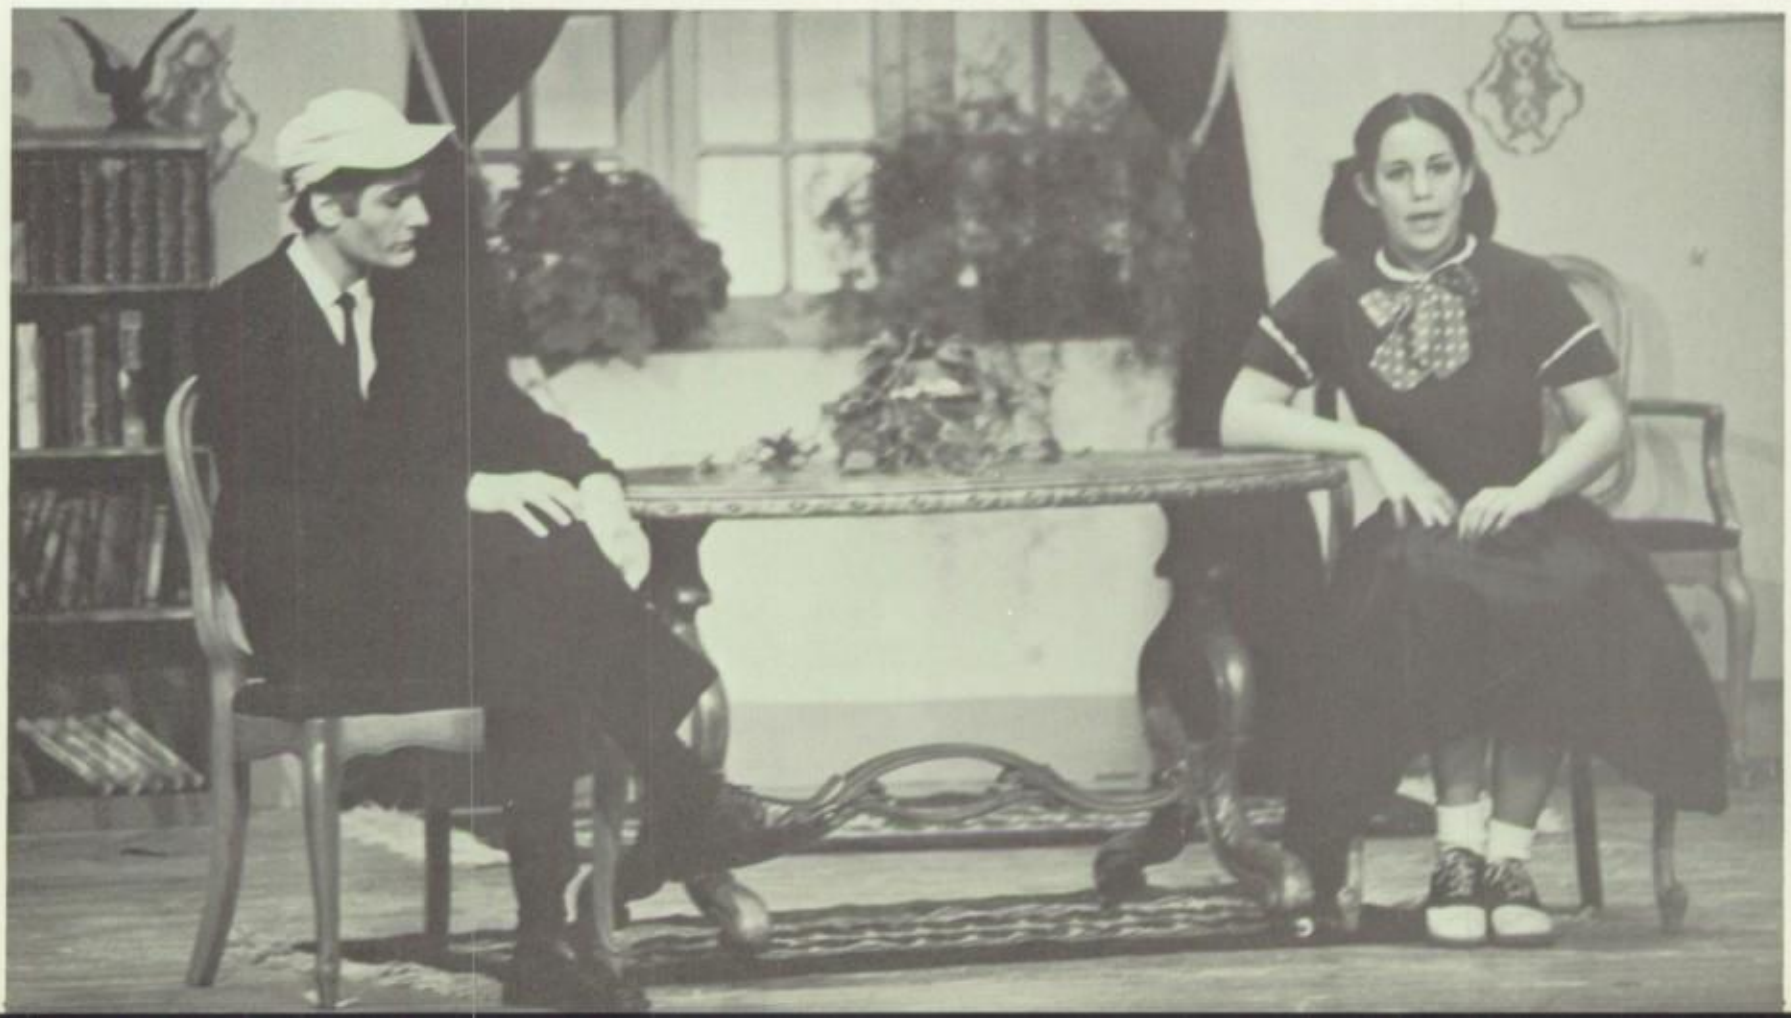
U.S. Student Council

The 1978 Student Council has proved to be one of the most active in the school's history. Its many talented members have organized dances, planned retreats, amended policies, and initiated Country Day's first field day. The Student Council's advice has been sought by administrators in order to better promote the interests of students. A Student Exchange Program was also put into effect this year to help promote an understanding between our students and students of other schools.

Dowd, played by Ron Shmyr. *BOTTOM:* Judge Gaffney, played by Sam Klein, listens to Myrtle May, played by Betsy Moss, as she explains about the pooka.

Drama

The Upper School Drama Club, directed by Mr. Ronnie Clemmer, is undoubtedly one of the chief assets of the school's activity program. Last year's production of Mary Chase's *Harvey* was a tremendous success. Lead roles were played by Ron Shmyr, Marcy Lynn, Steve Epstein, Sue Brown, Stuart Henderson, Steve Horwitz, Betsy Moss and Sam Klein. This year's production of Joseph Kesselring's *Arsenic and Old Lace* promises to be outstanding, thanks to the hard work of the Drama Club.



Band

The DCDS band, because of the perseverance and talents of Dr. Maurice White, has had its best year ever. After an entire season of spirited performances at pep rallies and football games, the band displayed its abilities at the annual winter concert. The introduction of the jazz band was one the highlights of this event. Both the concert band and the jazz band hope to widen their scope in the future.

RIGHT: Eddy Valentine wails out the blues during a typical band practice. *BELOW:* The band practices for their upcoming winter concert.

Chorus

Under the direction of Mr. Paul Donoher, the chorus has been growing in interest. This year's performances included a Christmas program at Somerset Mall, and a special presentation of Christmas carols at neighborhood convalescent homes. The Jackets and Jills performed at a Birmingham Rotary Club luncheon, as well as at other places.

Student Publications

SPECTRUM

This year's *Spectrum*, advised by Mrs. Hannett, appeared as part of the newspaper. Many works of high quality were published.

Newspaper

The *Day Times* completed another successful year headed by faculty advisor Mr. Mullen. The paper combined an outstanding format with excellent reporting.

. . . . . and, of course, the YEARBOOK

Art, Art, Art, Art and More Art . . . . . .

The Art Club is a school and community service organization. It has actively participated in organizing special activities at the Pancake Supper for the past three years. This year, it held a print sale by the Ferdinand Rotter Galleries of New York. Most of the proceeds from these and other events have been used to buy framed prints to beautify the school. Some of the proceeds from fund raising activities were used as prize money for the annual all-school student art exhibition held this year in the library. In addition, Art Club offered students opportunities in ceramics, welding, needlepoint, printing and in Art Service Club

Chess

This year's chess club was directed by Mr. Norman Brault. The highlight of the year was the Brault Chess Invitational. Chess Club members met each week in preparation for interscholastic tournament competition. The Chess Club hosted two tournaments and turned in a fine performance at each.

Backgammon

This year the Backgammon Club made its debut as part of the activity program. Under Mr. Morrow's supervision, the members increased their knowledge of the game and improved their strategies.

Service

This year's Service Club, advised by Mr. Croy, held an upper school raffle. Steve Davis and Paul Conway won the honor of throwing pies at administrators' faces. The proceeds went to the United Fund.

Wilderness

The Wilderness Club, led by Mr. Mullen, brings interested students closer to nature. Earlier this year, several canoe trips were made. During the winter months, Wilderness Club members enjoyed cross-country skiing trips.

What the Upper School Does for Enjoyment

Above all else, Country Day has an active environment. This year's students had the opportunity to join any number of clubs ranging from Cinema to Backgammon. Also available were clubs such as War Games, Photography, Language and others. Country Day's activities live to the fullest our motto "Mens sana in corpore sano."

Men's Lacrosse Flourishes With All-American

The lacrosse team of 1977 had an excellent season, finishing with a 12-2-0 record. Some of the outstanding players of last season were All-Leaguers Dave Phillips and John Gargaro and All-American center midfielder Rob Ambrose. Other outstanding players were Dean Miyao, Bill Aliber and Brian Varnum. "The most exciting games," Coach Spencer pointed out, "were the ones we lost." One of these games was the Worthington game in which DCDS narrowly lost 13-12. Coaches Reilly and Spencer believe that next year the team can once again clinch the state title and have a good shot at the Mid-West championship, in which they placed third.

The J.V. team had an excellent season, losing only two games, and pounding rival Cranbrook 12-2 and 15-5. John Cronk and Maseeh Rafani were J.V. standouts.

Varsity Baseball Has Another Winning Season

The varsity baseball team, coached by Mr. Donoher and Mr. Jensen, completed a twenty-two game season with a .500 average. The team defeated both Liggett and Waterford Our Lady of the Lakes in the district semi-finals and finals, but then lost in the first round of the regionals. Three seniors were team leaders in batting and pitching. Doug Menzies had a .397 batting average and Glenn Alexander finished with a .366 average. Dave Tabashnik led the team in pitching with six wins in ten games. Promising juniors included Mark Zobl, Roland Frohman, and Kurt Thomas.

The J.V. baseball team showed much improvement during the season, although winning only one game. Coach Honos thought that Jeff Kalt and Mark Weiner were the MVP's of the season. The leading J.V. pitcher was John Genga.

Track Men Continue to Outrun Their Opponents

The 1977 men's varsity track team was overwhelmed with talent and leadership. They finished with a 9-1-0 dual meet record, won the Springport Invitational, and took first place in the league meet. Inspired by the coaching of Mr. Browne and led by senior co-captains Jim Rosenfeld and Chris Yelder, the men placed second in the regional and fourth in the states. There, David Koppin, a junior, placed first in the 440 yard dash, Jim Rosenfeld placed fifth in the 100, Courtney Vance placed fifth in the 120 high hurdles, Stuart Henderson placed fourth in the 330 low hurdles, Magdy Milad placed sixth in the 2 mile, John Woodson placed fifth in the discus, and the 880 relay team, comprised of Brian Barr, David Koppin, Eugene Williams and Jim Rosenfeld placed second. An outstanding underclassman performance was turned in by Kel Keller, who took third in the regional. School records were set this year by Dave Koppin in the 440, Stuart Henderson in the 330 low hurdles, and John Woodson in the discus. Congratulations on a great season!

Women's Track Achieves a Winning Season

The women's track team, coached by Mr. George Prosperi and with the strong running of captains Kristin Washington, Silvia Acosta and Morgan Riley, had another successful season. The running of the entire team was consistent throughout the season. The regionals proved the quality of the team as Anita Flynn, Michelle Ragland, and the 440 yard relay team placed second, naming them to the All-Regional team. In the state meet the 440 yard relay team, consisting of Lisa Irwin, LaVerne Evans, Michelle Ragland and Kristin Washington, placed seventh, giving them All-State status.

Strong Varsity Tennis Team Captures Runner-Up Title

The '77 varsity tennis squad had a respectable season under Coach Tim Domke. The Racket-Jackets won all but five of sixteen matches, losing to Cranbrook, GPUS and Austin. The team was led by Jeff Collins, Randy Jacobs and Glennys Merritt, the tri-captains who played first, second and third singles respectively. Jim Cook played fourth singles most of the year while the doubles teams of Ron Angell- Joost Korsten, Mark Unger- Neal Krasnick and Kevan Kreitman- Bob Zivian rounded out the team. Mike Kojaian and Jeff Podolsky were reserves who earned a varsity letter. The tennis team placed second in the Class C-D Michigan state tournament with Glennys Merritt and the Angell-Korsten team taking first place medals. Hopes are high for a first place ranking in the state next year because the team loses only two of its members.

The J.V. tennis team, coached by Mr. Brault, had a successful season this year. The team was led by Josh Davis, Alan Barr, Mike McNutt and Al Stillman. All four switched off at the number one position.

Women's Lacrosse Team Takes New Strides

The women's varsity lacrosse team improved tremendously throughout the season, capping off the year with a victory over Worthington. As the season ended, the team took four times more shots on goal than at the beginning of the season. Coaches Penny Hannett and Mary Fleming provided the team with expert coaching. Dora Djuric, Cindy Hoglund and Michelle Touma all contributed to the team effort.

ABOVE: Sarah Smith carefully aims the ball. *BELOW RIGHT:* Sue Frent blazes an underhand curve. *ABOVE RIGHT:* Co-captain Romayne Hollis stands on the side and watches another close game. *BELOW:* Suki Reynolds rounds second base.

The 1977 women's softball team had a wonderful season. It was headed by captains Romayne C. Hollis and LaRene Dell. The girls had a 0 and 8 record, which is not indicative of their play. Coached by Roberta Righter and Nan Lechner, the girls learned the fundamental softball skills and had fun in spite of their losses. Unfortunately, this was the last season for women's softball because of the large number of girls involved in the other spring sports. Still, softball will be missed by many.

Varsity Football Captures State Play-Off Berth

The 1977 varsity football team was a talented squad led by new coach Joe D'Angelo. In his first year as coach, D'Angelo not only guided the Jackets to a league championship, but also to a berth in the state playoffs. Under the leadership of co-captains Rob Ambrose and Courtney Vance, both all-state selections, the team swept through the Metro Conference with an unblemished record. After demolishing arch-rival Cranbrook, the team cruised through a few games before facing a tough Hamtramck squad. In that game the Jackets pulled off a stunning victory by scoring the winning touchdown on Bill Aliber's blocked punt with only a minute to play. The team continued on with easy wins over Lutheran East and West until the big showdown for the league title against Liggett. With the support of the biggest football crowd in Country Day history, the Jacket gridders solidly beat the Knights to take the league crown and earn a spot in the state playoffs as one of the top Class D teams in Michigan. Although the team lost a heartbreaker in the first round of the playoffs to eventual state champ Flint Holy Rosary, it was still not enough to spoil the fine season Coach D'Angelo's gridders enjoyed.

Led by coaches Jim Weidman and Tom Thompson, the J.V. team ended the season with a record of two wins and four losses with their wins coming over Hamtramck and Lutheran West.

The Men's Soccer Team Completes a Fine Season

ABOVE: Steve Risser converges on an opponent's attempted pass. *BELOW LEFT:* Larry Webb takes a shot on goal. *BELOW RIGHT:* Bob Zivian is a good leaper.

The varsity soccer team finished its season with a respectable 8-11-2 record. A lot of injuries hurt the team, but they came on strong at the end of the season and won their last four games. In the last game of the season, the team beat a tough Lahser team 2-0. Lahser went on to win the state championship. Back up goalie Peter Pendray did a great job substituting in seven games for the injured Paul Nagy. Other standouts included Paul VanAntwerp, Mike Ernst, Andy Hofley, Kevan Kreitman, Steve Risser, Larry Webb and Keyvan Al-Kamooneh.

Coach Duggan coached the team for his second year in a row. He expects the team to be very impressive next year with the return of many of this year's fine players, and looks forward to a better record.

Women's V and JV Hockey Improves Steadily

The women's varsity field hockey team, led by co-captains Anita Flynn and Kristin Washington, finished with a record not indicative of the ability and level of play shown on the playing field. The season began with a tough loss against Kingswood. In each game thereafter, the games were not lost by more than one goal. Superb play was displayed by senior wing Lauren Irwin, and freshman Patty Pastor, Lori Edwards and Holly Hegarty. Good defensive play was shown by full backs Jan Collins and Lisette Wadle, and goalies Sue Fincham and Pam Schmidt. The team shows real promise for next season.

Coached by Mrs. Clemmer, the J.V. squad has made many improvements. They were the strongest J.V. field hockey team the school has ever had, and hope for a lot of future recognition.

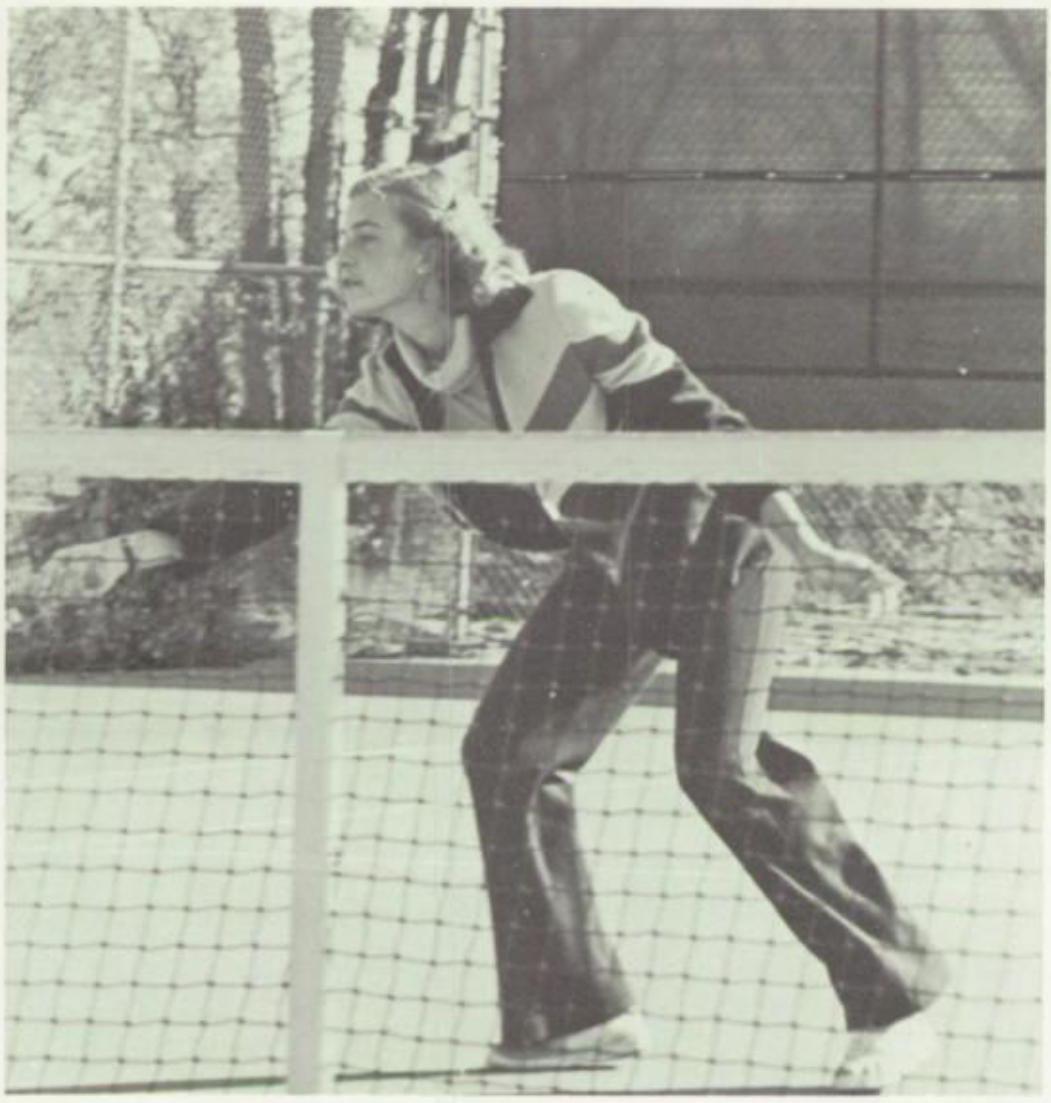
Freshmen Highlight Fine Cross Country Season

The cross country team, coached by Mr. Gene Jurkiewicz, had a very productive season. The men's squad, with the strong leadership of co-captains Russ White and Eric Butler, produced some great performances. Freshmen Matt Balding and Don Cook were a huge surprise. Matt, the team's Most Valuable Runner, was undefeated in the Metro Conference and placed third in the Class D State Meet. Don, the team's Most Improved Runner, improved his time greatly, and earned a spot on the Class D state meet.

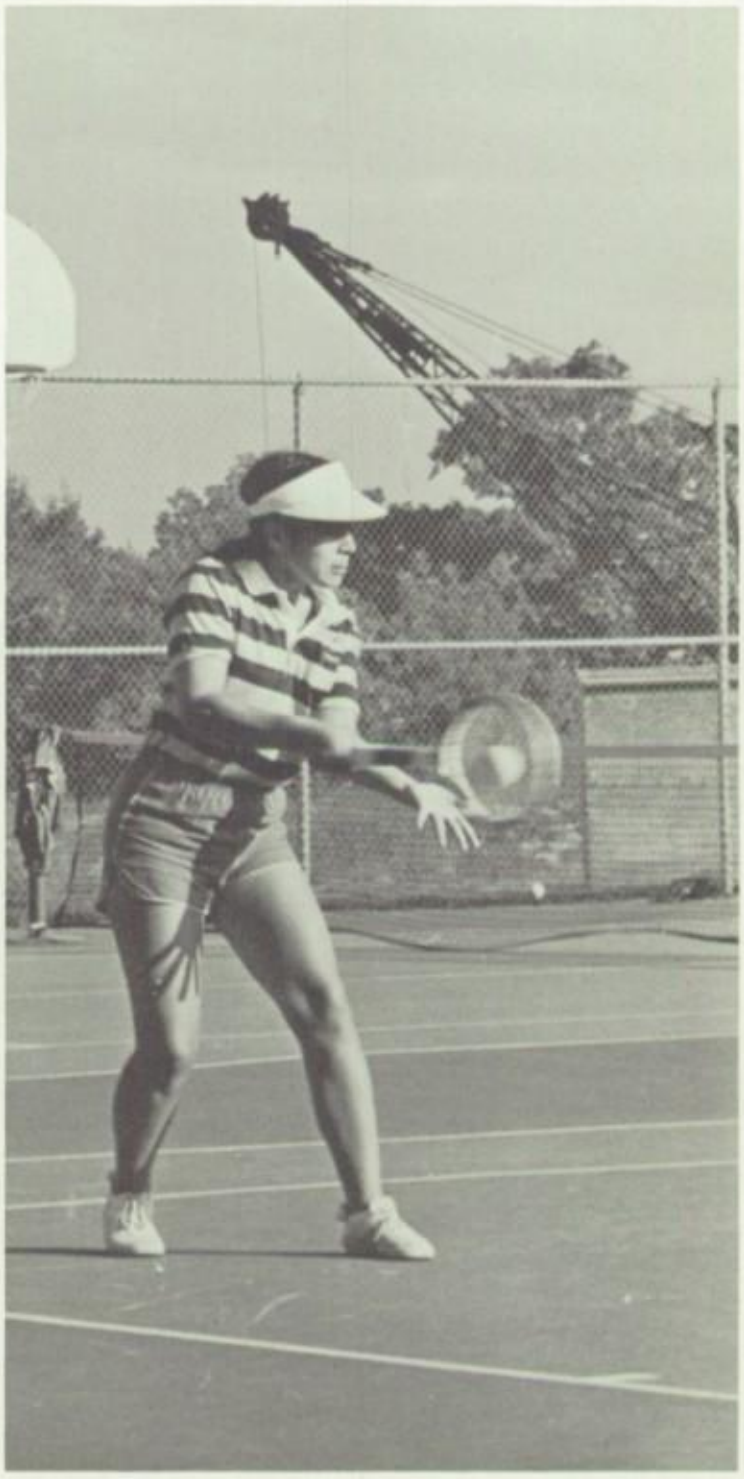
The women's squad, with captain Suzy Milad, showed significant growth. Sophomore Dee Cook led the team in scoring. Leslie Dilts, Kim Holt, Elissa Ferris, Michelle Ragland and Debbie Scott also had a fine showing in the state meet and demonstrated that women's cross country has a bright future here at Country Day.

ABOVE LEFT: Glennys Merritt approaches the finish. *ABOVE:* Captain Suzy Milad works out. *LEFT:* Freshmen cross country stars Matt Balding and Don Cook. *BELOW:* Kim Holt maintains her lead.

Women Serve Up a Respectable Tennis Season



Under the leadership of senior Romayne Hollis and junior Betsy Moss, the young women's tennis team performed well in many matches. For her second year in a row, sophomore Shari Goodman played well at first singles, while senior Silvia Acosta played second singles. Sophomores Dora Djuric and Pat Fisher finished out the singles squad. Good teamwork was displayed by doubles teams Stacy Henderson and Betsy Moss, and Cindy Hoglund and Kim Unger. Coach Fleming hopes for an even better '78 season.



ABOVE: Silvia Acosta puts all her concentration into placing the ball perfectly. *TOP RIGHT:* Dora Djuric stretches for a low volley. *RIGHT:* Shari Goodman follows through.

Golf Team Victorious at State Finals

Although the Detroit Country Day golf team had a below average regular season record, they were still able to come up with the Class C-D state title for the second time in three years. The team was led by Coach Hansen, who was voted Coach of the Year by the *Detroit News,* the *Birmingham Eccentric,* and the Michigan Golf Coaches Association. One of the outstanding players was senior captain Kirk Lewis. Steve Davis, David Grant and Mark Otlewski all had fine seasons as juniors.

The team won the regionals at a close playoff victory over Sarnac, enabling them to advance to the state finals. Everyone played well individually at the finals, and Mark Otlewski was runner-up in the meet.

D.C.D.S. Cheerleaders Get the Spirit Going

The cheerleading squads this year were a dynamic force at the games. The squads were improved over last year's because pre-season tryouts were held for both the fall and winter squads. The girls were required to individually demonstrate two cheers, a cartwheel and the splits. Under the supervision of Mrs. Leybourn, the cheerleaders enthusiastically cheered for the varsity football, soccer, basketball and wrestling teams. The girls utilized many new cheers this year and demonstrated their expertise in team mounts. The girls' efforts were greatly appreciated by the teams.

Hockey Team Has Another Successful Season

In his twenty-fifth year as a hockey coach, Harry Lapointe once again produced a strong team. The team fought for first place in the Metro League and was rated tenth in the state hockey rankings. Coach Lapointe utilized the talents of his seniors Rob Ambrose, Randy English, Bill Kaechle and Paul Nagy to give the team a strong scoring punch. Defenseman Ron Angell and goalies Kurt Wolf and Kevin Kelchner were consistent in stopping the opposition's rushes. Throughout the year the team exhibited strong team play which enabled them to defeat many highly ranked teams and hopefully look forward to a state play-off bid again this year.

Varsity B-Ball Fares Well in State Playoffs

This year's basketball story is a sad one in the sense that the team didn't win many games, but the season was a learning experience for the players in the areas of team unity and togetherness. The season got off to a slow start for many reasons. Eventually the team began to surmount its obstacles, and managed to win three out of the last four games, including the spectacular upset over the highly touted Hamtramck Cosmos. The team was led with the scoring and rebounding of junior forward Rodney Gilbert, who showed tremendous improvement over last year. Also adding to the efforts of the team were junior center Mark Fentress, sophomore forward Robert Mackenzie, seniors Jim Brown and Jeff Johnston, and co-captains Kirk Lewis and C. B. Vance.

Varsity Wrestling Team Goes All the Way

The varsity wrestling team had its most successful season ever this year. After a slow start, the team went on to win the Class D state wrestling championship. Led by tri-captain seniors Paul Clark, with a 26-3 win-loss record; Larry Webb, undefeated 29-0; Mark Zobl, 26-3; and senior Roland Frohman, 21-9; the team placed well in a number of tournaments that contained Class A and Class B teams almost exclusively.

The team didn't fare too well in their own tournament in December. Soon after that at the highly regarded Lake Orion tournament, the squad placed fourth with Larry Webb, Mark Zobl and Paul Clark winning championships. From then on the season was all up hill.

The team placed eight qualifiers in the state tournament, including Larry Webb, Roland Frohman, Mark Zobl and Mark Riley. Of these, Webb, Frohman and Weiner gained championships to help the team win the state tournament by seventeen points.

Next year's team should be just as strong with wrestlers like Glen Clark, 26-7; Ed Valentine, 23-8; Mark Weiner, 22-7; Mark Riley 19-10; and Rick Villarosa, 18-11; all returning to the squad.

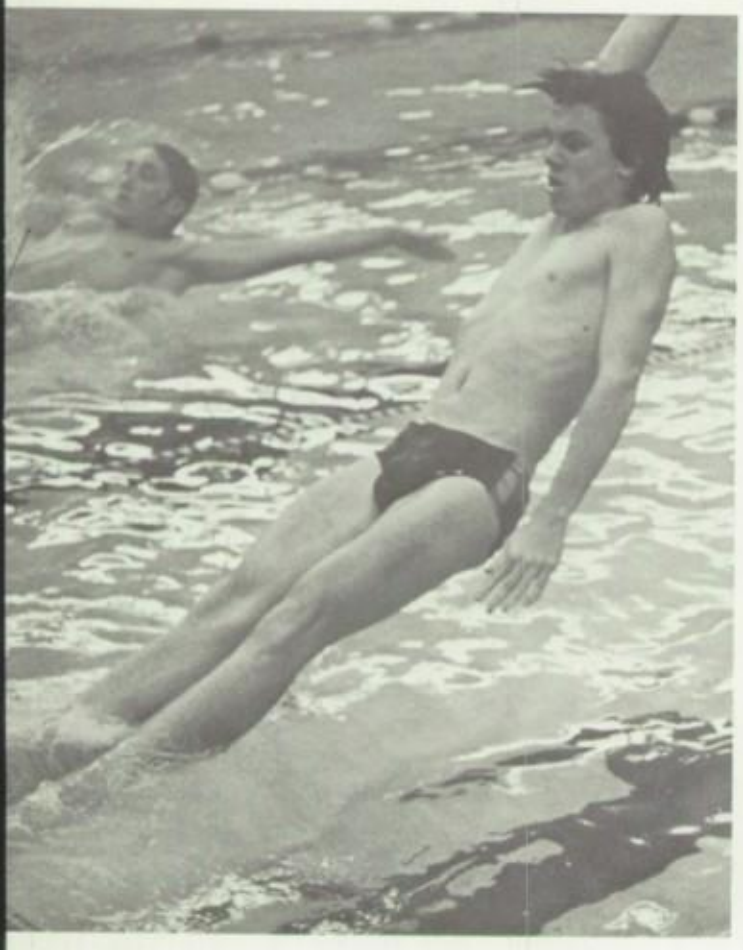
Skiers Steadily Improve Over Winter Season

The ski team finished its seven meet schedule with a strong victory over arch-rival Seaholm. Although this was the only win of the season, the ski team was never further than two seconds away from its Class A opponents. Dave Grant, Mike McNutt, Jim Shaya, Greg Clapp, Tom Cupelis and Dave Stremler led the team to a successful divisional showing and a respectable seventh place in the regionals out of seventeen teams. This was the best performance in the five year history of the ski team. Coach Croy expects an excellent season next year under the leadership of five returning lettermen and a strong reserve unit. Despite competing in the toughest division in the state, Croy predicts the team will easily break into the top three slots.

TOP RIGHT: Mike McNutt shows good edge control. *ABOVE:* Dave Grant turns high on the gate. *RIGHT:* Dave Stremler attacks course number four.

Swim Team Fares Well in First State Meet



The DCDS swim team completed their most successful season to date under the whistle of Miss Jane Wood. Every member of the team improved their times significantly. Rare performances by Glenn Kline, Scott Pierson, Dee Cook, Don Cook, Janet Baird and Matthew Balding at each meet helped to increase the team's score at almost every meet.

The team was an extremely young one, with only two graduating members. With a little more time and experience, the team should be very impressive in the future.

The team appreciated the support of Mr. and Mrs. Kline, Mrs. Pierson, Mrs. Johnson and Mr. Schwarzer, who came to most of the meets to cheer on the DCDS swimmers. Many students also helped out at the meets.

TOP LEFT: Dan Johnson gets a flying start. *TOP CENTER:* Coach Wood in amazement. *BOTTOM LEFT:* Matt Balding and Steve Soof. *BOTTOM RIGHT:* The team having good clean fun.

Volleyball Squad Displays Unyielding Spirit

Coach Mary Fleming put together a very strong women's volleyball team for the '78 season. The varsity starting line-up consisted of seasoned veterans, including co-captain Holly Hegarty, co-captain Elissa Ferris, Lori Edwards, Betsy Moss, Stacy Henderson and Dora Djuric. Other varsity members that added to the team's spirit and enthusiasm this year were Lisa Smiler, Desiree Mehrabian, Sarah Smith and Gloria Soof. With team work and aggressive net play, the DCDS volleyball team should be strong for many years to come.

TOP LEFT: Jackie Delevie tries to balance the ball. *ABOVE:* Stacy Henderson serves. *LOWER LEFT:* Spirited varsity practice. *BELOW:* Cathy Haddock spikes.

Women's Basketball Reflects Improvement

The women's varsity basketball team finished its third season under the coaching of Roberta Righter with its best season ever. An exciting highlight of the season was placing second in the pre-season tournament held at Liggett.

The backbone of the team was Cindy Hoglund, who was a strong defensive player. Led by co-captains LaRene Dell and Anita Flynn, the team's statistics greatly improved, but unfortunately the record did not reflect this. The team was fortunate to have found an outstanding player in exchange student Terhi Lehtonen. The success of the '78-'79 team lies with three strong juniors: Lori Edwards, Sue Frent and Tina Warpup.

The junior varsity greatly improved, and under the guidance of Coach Hannett they had several important victories. Sue Randol and Jennifer Elgee proved to be leaders of the team.

Activities Round Off the Life of a Middler

Activities constitute a major part of the complete day of a middler. The homeroom clubs combine the use of academic as well as physical skills to broaden the range of learning.

Music

Music study in all its form is available to a middler. Aside from guidance in the use of an instrument of the student's choice, classroom instruction in theory, harmony and form is given. Chorus is also offered. Performances give the students a chance to display their learning and abilities.

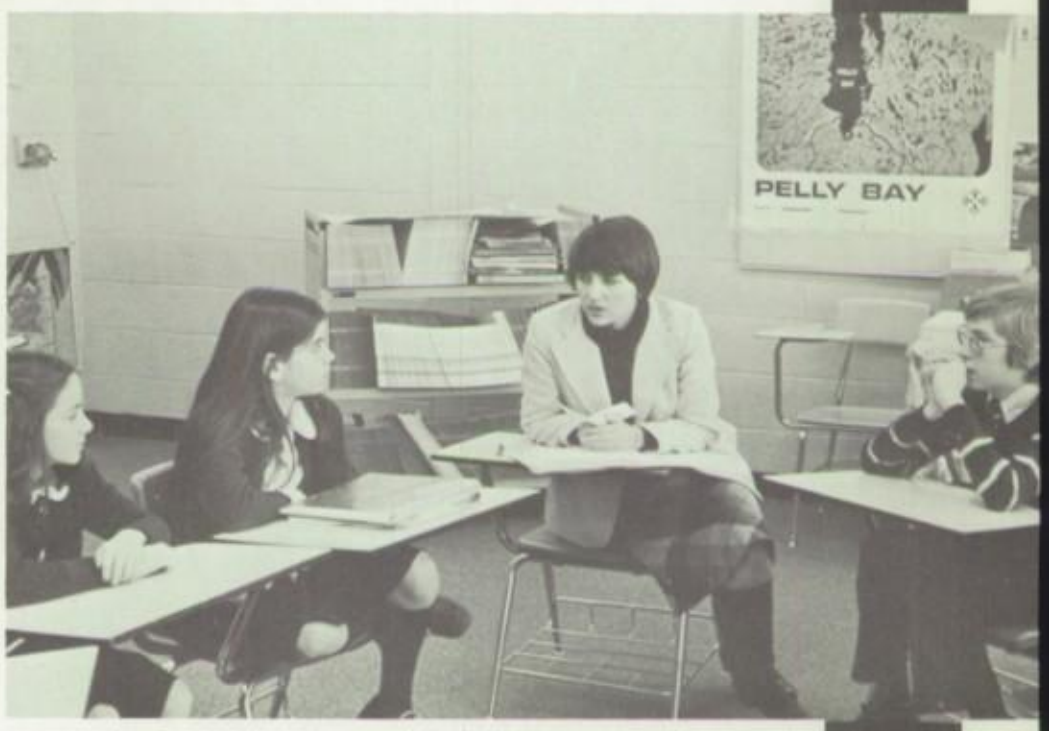
Journalism

In the middle school, journalism consisted of both the newspaper, directed by Mr. Duggan, and the literary club magazine, under Mrs. Gwizdala. The *Mid-Day* newspaper and the *Odyssey* magazine were written, edited and published by the students.



ABOVE: Two newspaper executives, News Editor Stuart Brady and Editor-in-Chief Chris Martin, review material for publication. *RIGHT:* The Literary Club prepares the *Odyssey*.

Drama

This year a middle school drama program was established. Advisor Mrs. Clemmer chose *Georgie-Porgie* to be acted by Mike Gordon, Sue Morrow, Paul Russinoff and Stacy Mollison in the major roles. After a lot of hard work, the play was successfully presented to the middle school.

ABOVE: Chris Martin plays the role of Hugh Cameron of the Military Academy in the middle school production of *Georgie Porgie. LEFT:* Mike Gordon, "Georgie Porgie," performs with Mrs. Spinnit, played by Susan Morrow.

Art

This year the Middle School Art Club was able to expand its activities due to increased student participation and the addition of string art, ceramics, rug making and postermaking to the general club. Club members responded to the needs of the school by assisting in theatre and holiday productions, the Pancake Supper, and the Annual Student Art Exhibition.

Service

The Middle School Service Club was again under the direction of Mr. Paul this year. The purpose of this club is to increase the students' awareness of and participation in school service. To achieve these goals, the club annually sponsors the Bloodmobile and the United Fund drive.

Many Activities Are Available for Middlers

Middle school activities have the diversity to accomodate every student to his or her particular interest. These activities include Computer Club, Ecology Club, French and Latin Clubs, Stamp and Coin Collectors' Club, and the Middle School Student Council. These clubs met during homeroom and sponsored many interesting activities, including solving computer problems, selling bird seed, studying foreign cultures, trading coins and stamps, and planning school projects.

Middle School Excelled in the Spring Sports

With a lot of spirit and excitement, the middle schoolers turned an average spring season into a very enjoyable one. The seventh and eighth grade baseball teams were coached by Mr. Hocevar and Mr. Paul. They had fairly good seasons, with Mark Kornmesser and Mark Riley leading the eighth grade team. As usual, Mr. Appleton coached a fine tennis team, this year headed by Aldo Stanisavljevic, Brad Goodman and Keith Sotiroff. Matt Balding was a standout on the track team, which was coached by Mr. Petty. The fast women's track team was coached by Mr. Mullen, and provided some good training for future members of the women's varsity track team. The boys' middle school lacrosse team, coached by Mr. Duggan and Mr. Murdoch, enjoyed its season.

The Middlers Prepare for Varsity Sports

Middlers began the new year by participating in fall sports, including football, soccer, girls' tennis and field hockey.

This year's Form IV football team, coached by Mr. Appleton, finished the season with a 1-2 record. The Form III football team, coached by Mr. Carmichael and Mr. Croy, also had a good season.

The A, B and C soccer teams were coached by Mr. Paul, Mr. Mullen and Mr. Menton. All three of the teams enjoyed competitive play and strenuous practice.

Two more teams, the girls' tennis and field hockey teams, did not compete. The tennis team, coached by Mrs. Fleming and Ms. Righter, and the field hockey team, coached by Mrs. Appleton, had good seasons learning and building skills.

Middle Schoolers Succeed in Winter Sports

In the warmth of the school, the middlers escaped the snow storms by playing boys' and girls' basketball, wrestling, and volleyball.

The Form IV basketball team, coached by Mr. Bossange, used their limited gym space to produce a fairly successful team. Mr. Paul coached the Form III basketball team to a fine season with only one loss. For most of the girls on Mrs. Appleton's basketball team, this was their first try at seriously playing basketball. Most of them really enjoyed the experience. Mr. Browne managed to recruit some strong and dedicated wrestlers. The girls' volleyball team, coached by Mrs. Spittell, had a respectable winter season.

All of the middlers played with the same spirit and dedication as their counterparts in the upper school varsity sports.

Lower School and its Never-ending Energy

Although the lower school is separated physically from the main campus, it is still very much a part of Country Day life. The lower school stages such activities as picnics, pep rallies to support the football team, and the annual field trip to Greenfield Village for Heritage Day. Sports play as important a role in the lives of lower schoolers as they do in the lives of middle and upper school students. The lower school campus has come to have a life of its own with never-ending energy.

Headmaster and Trustees Guide Our School

Board of Trustees. *TOP ROW:* Clifford H. Higgins, Sr.; Mrs. D. Eugene Thompson, Clayton H. Gordon, M.D.; H. Samuel Greenawalt, Jr.; James A. Aliber, Paul Borman, Irving Goldberg. *FRONT ROW:* Mrs. Charles E. Keller, Secretary; Roger E. Davis, Vice-Chairman; Sami F. Guindi, M.D., Chairman-Elect; Anthony C. Buesser, Chairman; Paul J. Conway, Treasurer; Richard A. Schlegel, President. *ABSENT:* Joseph E. Godfrey, John D. Hegarty, Jr.; Willard S. Holt, M.D.; Ronald W. Lech, F. Alden Shaw.

Good trustees are difficult to find, and Country Day is fortunate in having some of the best. Unpaid except through their own satisfaction, they invest time and effort in the pressing business of securing capital funds and in setting school policies. They lead our school family in the size of their gifts to Annual Giving and building campaigns with 100% participation. We depend on their talent and their commitment to persuade others to help build scholarship aid, endowment and buildings.

Trustees are responsible for the well-being of the school at the policy level but do not become involved in day-to-day management that is the direct responsibility of the Headmaster. Through committees as Budget, Financial Development, Long-Range Planning, Curricula, Athletic, Scholarship, Financial Aid and Grounds & Buildings, they work closely with the Headmaster and other school personnel in providing vigorous, hard-headed management to Country Day.
